

CLUB FINANCE POLICY

Registration Fees

All fees must be paid at the time of registration. Players are required to register and pay by 8:00pm on the day after having been offered a playing position for the following season. Registrations that are not accompanied by the appropriate fee will not be accepted and the position in the squad will be offered to another player. No player may play with the club until the appropriate age-based registration fee has been paid. Registration payments will only be refunded as per the refund policy.

If planning a long-term holiday or unable to attend for an extended period, players/parents must advise the Coach or Team Manager prior to the start of the Season.

Payment Types

Registration fees are only to be paid by cash, EFTPOS, business account cheque (no personal cheque) and MasterCard and Visa credit cards. American Express and Diners Club cards are not accepted.

Hardship

In hardship cases the registrant should discuss their case with the Clubs Finance Director before registration. Their case will be considered, and arrangements will be agreed upon and put in place if deemed appropriate.

All payment arrangements entered into must detail and finalise agreement to have players fees paid in full by 31st December of the year the agreement was executed.

Family Discount

Families registering more than one child will receive a 10% discount for additional players registered with the club. Note, that the oldest child is considered the primary registration and pays the full amount. No other discounts will be given – for example, due to a player's inability to attend the whole season.

Coaches

Primary coaches only will receive a discount on fees paid for their child. The discount will be the full amount of registration for their child within their specified team.

Primary coaches that don't have children will be paid an amount of the full amount of registration of a child within their specified team. This amount will be paid at the end of the season.

Volunteer coaches are encouraged to attain a C class licence. The club will support the coach in that attainment by refunding the cost of the coaching course at the rate of one third of the coaching course cost per annum, with payments made at the end of each season over a three-year period.

Committee

Any Club Committee Member shall receive a discount on fees paid for their child. The discount will be the full amount of registration for their child within their specified team.

Refund Policy

No refund will be paid to players that have accepted a position at another club after they have accepted and paid for a position at Adelaide City Football Club.

A full refund (less administration fee of \$500) will be made to players if the player has not yet been registered with the FFSA under the following conditions:

- Injury preventing the player from playing
- Player/player's family moving away interstate or overseas
- The team folds due to insufficient numbers

A partial refund is available to players (less administrative fee of \$500) who have played in less than half of the scheduled matches for the regular season due to reasonable factors beyond their control. Such factors might include:

- Injury preventing the player from playing for a period greater than half the season
- Player/player's family moving away to another region
- Player/player's family travelling interstate or overseas for a period greater than half the season
- The team folds due to insufficient numbers

All players must pay the full fee for the season at the time of registration and can only be refunded after the last match in which they participate.

The amount of the partial refund is determined by the amount of fees paid less administrative fee of \$500 , and then the number of games not played in, divided by number of games scheduled in the regular season times the net difference (fee paid less administration fee).

No refund is available to players who play less than half the season due to suspension.

No refund is available to players who have played more than half of the matches of the season. To play in a match is defined as being included on the team sheet for that game.
